*Thank you for the opportunity to quote on your print project.
We look forward to working with you.*

PLEASE NOTE: This estimate includes all operations and materials to complete the work as specified above. Estimate is based on industry standards trade customs. Costs estimated above are not considered firm until review of final artwork. Prices reflected above are subject to availability and price of paper. All Vision Graphics' terms and conditions apply. Due to the custom manufactured nature of this printing project, finished quantities are estimated to be + or - 10% of desired quantities. The final price will fluctuate based on quantities delivered. If exact counts are necessary, please notify your Vision Graphics Project Manager at time of order entry. See your Vision Graphics Project Manager for more information. If payment is made by credit card there will be a 4% additional processing fee applicable. Prices quoted herein are valid for 30 days. Prices quoted do not include sales tax.
